

ecOTOXICOMIC

The emerging Network of  
Microbial Ecotoxicology

# 1<sup>st</sup> International Conference on Microbial Ecotoxicology

November 21-24, 2017  
Lyon, France

## EcotoxicoMic 2017

### Proposed scientific sessions

- ▶ Impact of pollutants on microbial functions
- ▶ Response of microorganisms to pollutants under multi-stress conditions
- ▶ Impact of pollutants on the interactions among micro- or between micro- and macro-organisms
- ▶ Microorganisms as a tool for *a priori* and *a posteriori* environmental risk assessment
- ▶ Role of microbial communities in pollutant fate, distribution and degradation
